

# FAST Area IV Newsletter

## 2010 FAST Conference

**World Golf Village  
Renaissance Resort**

**October 21-23, 2010**

**“Navigating Through  
Science”**

**Plan now to showcase science  
education in Northeast Florida by  
presenting during this conference.**

**Deadline for submitting a  
presentation**

**April 6, 2010**

### Upcoming Events

2010  
FAST Conference  
World Golf Village

### Looking for County Contacts

I am looking for a person  
from St. Johns and Nassau  
Counties to email me your  
county's activities.

### Clay Contact

Mr. Howard Katz

*Contact Info*

*Area IV Director*  
*Madge Nanney*  
*Science Specialist*  
*Duval County*  
*Public Schools*  
*Jacksonville FL*

**Let's consider a Best Practices “Share-a-thon”**

**Instead of a traditional presentation, tables are set up and teachers  
visit each table collecting your best practices. If you would be  
interested, email Madge ( [nanneym@duvalschools.org](mailto:nanneym@duvalschools.org) )**

## Congratulations

### 2009 National Board Certified Teachers

- Cheri Broadway Clay
- Rajasekhar Narisetty Duval
- Winifred Robinson Duval

### 2009 Environmental Educator of the Year

- Mary Phillips Duval

## Duval News

Through a grant provided the Boeing Corporation, 15 science teachers received a partial scholarship to the NSTA Regional Conference in Ft. Lauderdale. Teachers brought back to their schools innovative best practices.

## Clay News

Mr. Howard Katz has certified all his students in CPR. Great way to extend the benchmarks to life long (and life giving) skills.

## St. Johns News

Mark Lewis, Program Specialist, and Lynn O'Connor, Program Specialist, are spearheading the 2010 FAST Conference. Let's help them out!
