

### **Area Teacher Professional Development Grant:**

F.A.S.T. is accepting proposals for funding that provides science professional development being offered in their local areas. Interested members can complete and submit a proposal by clicking on the following link. [Area Professional Development Grant](#)

Once your proposal has been reviewed you will receive an email explaining the outcome and terms for your request. For more information about Professional Development being offered in your area contact your F.A.S.T. area Director or, contact Tom Metcalf, FAST President Elect at <mailto:medcalf@palmbeach.k12.fl>
